* Shaping requires the Shaping Talent. Each named Culture, Language, Lore and Craft is a separate skill. Base + Pool + IP gain records creation spending; update Score during play. Later characteristic changes do not recalculate skills.

Criticals run from 01 to the entered end number: use the integer tens digit of the unmodified skill, with a minimum of 01. Record situational Bonus/Penalty dice separately.

IP increase							

SKILL POOL	START	TRADED *	ALLOCATED	LEFT
Resistance	50			
Combat	50			
Knowledge	50	-		
Practical	75			

* Trade 5 pool points for 1 IP: at most 20 points from each of Resistance, Combat and Practical. Converted IP cannot improve skills. Ordinary starting IP: 10.

ORDINARY IP **CONVERTED IP** **UNSPENT IP**

IP SPENT: ANCESTRY / CHARACTERISTICS / SKILLS / TALENTS

Add at most +30 to one skill during creation; skills cap at 100%. A starting Shaper reserves and spends 20 IP before allocating Knowledge points. PCs begin with 2 Hero Points.
